Late/Broken Appointment Policy

We set aside specific time for each one of our patients to ensure we are able to provide quality dental treatment. We understand that situations arise in which you can't make your scheduled appointment. We ask that you provide at least **24-hour notice** to **change or cancel** your appointment. By doing so, we can offer your time to another patient who is waiting to receive treatment. The lack of adequate notice is considered a no show.

TWO or more no shows and cancellations with less than 24-hour notice may be subject to a $50 cancellation fee. Patients who do not show up or give adequate notice three (3) or more times may be dismissed from the practice and may be denied future appointments. Cancellation fees are the sole responsibility of the patient and must be paid in full before the next appointment.

We understand that special circumstances may cause you to miss your appointment or give adequate notice. Cancellation fees in this instance may be waived at the discretion of the doctors.

Financial Policy/Agreement

Please understand that all fees are given as an **estimate** based on your own insurance policy. We try our hardest to give you the most accurate patient portion, and even with a pre-determination from insurance it is still only an estimate. We request ***all payment of patient portions be taken care of at the time of the appointment*** unless there are other financial arrangements made. Drs. Raynor or Linker must approve these financial arrangements in writing.

By signing this document I have read and understand the late/broken appointment policy and the financial policy/agreement.
